

Thank you for choosing to study with me!

Lesson Schedules, Rates, Virtual Lessons, and Travel Fees

- Lesson times are scheduled with mutual availability between teacher and student.
- Rates begin at **\$30 for half hour lessons** and should occur weekly for maximum progress.
- Students are only accepted at half hour time slots until they demonstrate commitment and seriousness to move forward to full hour lesson slots.
- Virtual lessons function the same as a normal lesson. The student needs to assure they have functioning internet or wifi connection for maximum lesson quality.
- The teacher will gladly travel to the home of the student to teach, however, a travel fee will apply and will be discussed with the parent and/or student.

Studio Policies

- The teacher may need to reschedule lessons due to professional engagements or illness. In this case, the lesson will be rescheduled to a time that is most convenient to the teacher's and student's availability. If a make up lesson cannot be scheduled, credit will be given to the student the following month.
- 24 hours notice via a call, text, or email is required if a student cannot make a lesson. If none of these are received within 24 hours notice, the student **will be charged** for that lesson. If the lesson is excused, a make up lesson will promptly be scheduled.
- Regular attendance is critical for a student's musical development, it is recommended that a student takes lessons weekly.

Payment

- Lesson fees are paid on the first lesson of each month, for that month.
- Invoices can be emailed upon request indicating charges, credits, etc..
- Payments to Lawrence Shaw Music. Venmo: @lawrence-shaw-3.
